# PORTRAIT OF A CHANGE MAKER

## A MODERN RENAISSANCE MAN

BY ORNAH ENGEL-FORTNER, BY ROBERT HUCKOFF

As a man with an inner divine or forge his own path in the world Julian Lennon is a change maker. He is a musician, artist, author, UNICEF Goodwill Ambassador, Hospitality, Inspiring, and working to assist children first creatively on the stage.

Lennon has always been an artist by nature, relating his heart on the music scene early on and releasing his first album, Valotte in 1984 at age twenty-one. The album was a success, selling over 2 million copies and he toured extensively with studio albums, the most iconic being Everything Changes, released in 2011. With a brand new album in the works and hope for a sold-out tour within the next couple of years, Lennon is ready to share his creative side with the world and make that a the moment his first and another instrument of art in his hands.

Moving that he likes to take more creative projects at his own pace, Lennon says that he is currently working on a book, a movie, and a TV show. He is also a fan of Twitter, Instagram, Periscope, and he was shooting a charity campaign with Instagram at the photo edition his knowledge." he laughs. "I'm sure. There do, you know how to do that." I'm sure I'm sure I'm sure

Visit KisstheGround.com to learn more about this global platform for environmental conservation and change, and keep an eye out on White Feather Films, Lennon's new production company aimed at making documentaries with a mission.

It's clear that, at fifty-eight, Lennon has established himself as a global force for good as well as an inspiring artist, but he's nowhere near finished. Hey Jules, we can't wait to see what you'll do next!
